

# Building A United Front

When legislation that would have harmed responsible homeowners and crippled homeowners associations (HOA) sailed through the legislature, the Community Associations Institute's California Legislative Action Committee (CAI-CLAC) successfully built a case that contributed to a gubernatorial veto. Now, CAI-CLAC is working to unite diverse stakeholders and reach consensus toward a legislative solution that's right for California.

We're gaining ground through the ongoing and generous support of HOA communities. Please do your part. Contribute "A Buck a Door or More." With a united front, responsible homeowners and HOAs will prevail.
